PIETBOON

Studio Piet Boon is een multidisciplinaire designstudio. Wereldwijd actief en gespecialiseerd in totaalconcepten. Het in balans brengen van functionaliteit, schoonheid en individualiteit kenmerkt hun indrukwekkende en met awards onderscheiden projecten; appartementen en gebouwen voor projectontwikkelaars, particuliere woonhuizen, kantoren, restaurants en hotels. Hun internationale designteam ontwerpt ook diverse interieurproducten, zoals de verlichtingscollectie voor Maretti Lighting. Deze producten dragen bij aan de totaalconcept benadering van Studio Piet Boon, maar geven mensen ook de kans om een stukje Piet Boon beleving in hun eigen interieur te brengen.

An interior only comes to life with a well thought-out lighting plan
