"Our philosophy balances functionality, aesthetics, and individuality"

Utilitarian by definition, kitchens and bathrooms can attain the ultimate in simplicity when Studio Piet Boon is controlling the taps. Consider a suite of fittings for **Cocoon** called Shape. The deck-mounted sink fittings, appropriate for kitchen or bath, boast the most refined of swivel spouts, and the wall-mounted tub and shower assembly's modular

SHAPE

components can be freely configured into less-is-more compositions. Ceramic cartridges and water-saving aerators are tucked inside the stainless steel, which can be finished in gunmetal or copper or, quite simply, brushed. bycocoon.com. **circle 405** ➤
