CELEBRATING COLOURS, LIGHT AND LIFE

All wooden pieces are custom-made in Moscow. The doorknobs are by Piet Boon. The sconce on the mirror wall is from Allied Maker.

Throughout the apartment, the doors are floor-to-ceiling, which makes for an interesting detail and creates a kind of optical illusion of added room height. Here, the doors are painted grey to match the rest of the bedroom interior.

1. NITŌ LAMP by Dominik Lutz (Parachilna). 2. MOONLIGHT SUSPENSION LAMP by Hoffmann Kahleiss Design (Quasar). 3. BROKEN MIRROR by Snarkitecture (Gufram). 4. THRONE CHAIR by New Tendency (Leibal). 5.
